Hello Mike,

I spoke to Larry (BID Security) and he explained to me all about the last Archdiocese meeting. I was not working in the field but was able to send out a unit. We need to make sure we have a Senior Lead there. Either SLO Mollinedo, SLO Cho or myself need to attend all the meetings. We cannot have that happen again.

In case you do not know, SLO Mollinedo is the new SLO to that particular area, I still have west of Normandie. Cirrito is now on the south end of the division.

Please make sure to let SLO Mollinedo know if you need him to attend meetings pertaining to east of Normandie, his email is 31754@lapd.online.

Also, I needed your assistance if possible. Please let me know if your clean-up crew can help me out on Serrano n/o 8th, I have an encampment there with lots of trash that doesn't belong to them, so its abandoned property.

And the last thing, I have a serious jungle from the huge trees on Irolo between 7th and 8th, they are in desperate need of trimming.

Thank you in advance and if I do not see you before the Holidays, I wish you and your loved ones a wonder Holiday Season!

Take care,
